

Right now, a desperate child is waiting. Waiting and hoping that you will step forward and say, "Yes, I care about you and will help you."

You can end the waiting for a needy child by becoming a Children International sponsor today. Your monthly gift of only \$25 will help provide one child with the essentials needed to overcome the burdens of poverty and fill a heart with hope.

What is sponsorship?

Sponsorship is a very personal way to improve a needy child's life. It gives you a chance to share a unique relationship with one special child.

Through regular contributions you'll help provide your child with basic necessities, such as medical and dental care, educational assistance, durable clothing and shoes, improved living conditions and much more.

Begin your Children International sponsorship today!

Just complete the attached form and return it with your first gift of \$25. We'll then send everything you need to get to know your new sponsored child, including a color photo and personal family history...plus facts about your child's country and all the details about your sponsorship.

You can also call us at **1-800-888-3089** or visit us at **www.children.org** and choose your sponsored child from hundreds of online photos and profiles! You'll also find more information about our sponsorship program, including stories and videos of children whose lives have been changed thanks to their sponsors.

Sponsorship works!

Here's what one former sponsored child says about the power of sponsorship:

I became a sponsored child when I was just 5 years old. Being sponsored changed the course of my life.

Most important was the educational assistance I received, which helped me earn my high school diploma. With hard work, a small scholarship and help from my mother, I achieved my dream at age 25, when I graduated from medical school.

Sponsorship made me realize poverty did not have to be an obstacle to my success.
